December 20, 1905 LaFayette Sun  
Chiggerville

We have been informed that our friend, Mr. **Charlie Johnson**, one of Marcoot's most prominent farmers, make, this year, 100 bales of cotton, when, but a few years ago, 40 bales were considered a fair yield on the same plantation. He is not only a progressive farmer, but his annual profits show him up as an enterprising merchant in the true light.
